NOTES

1. T/M/S: Type/Model/Series
2. ACFT PAA: Planned Authorized Aircraft as defined by the community ROC/POE
3. ACFT per Det: Number of aircraft that the detachment would possess for deployment.
4. FHP Funded Crews: Minimum number of funded crews to meet T&R skilled crews requirements (either by squadron or detachment). FHP funded crews figures for squadrons are set by TYCOM and may differ from crews numbers described in the ROC/POE.
5. CNAFR squadrons are funded by number of aircraft vice required skilled crews.
